Winner

Der romantische Ansatz und die florale Farbpracht zeichnet Ohlinda genauso aus wie ihre Vielseitigkeit: Nach Gusto lassen sich die Rückenelemente gestalten, die Bausteine modular komponieren. Scheinbar schwebende Kissen überraschen mit unzähligen Feinheiten, Raffungen, Nähten und Biesen. Komplettiert wird dieses detailreiche Sofa durch die schlanken Füße in Lilienform, die Ohlinda eine sanfte Luftigkeit verleihen und die geknöpfte Matratze sanft emporheben. Das fantasievolle Storytelling vom Blau-Grün des Ozeans, vom blumenreichen Garten Eden oder dem mystischen Silberschimmer komplettiert unterschiedliche Raumkonzepte.

Poesie aus 1000 Garnen Das ist Ohlinda – die Schöne

The romantic approach and the floral splendor is what makes up Ohlinda, that and her versatility: The back elements may be designed how ever one wants. Like building blocks, everything can be combined. Pillows which seem to float surprise with a myriad of intricacies, ruffles, seams, and tucks. What makes this sofa complete are its slim feet in the shape of a lily, which lend Ohlinda a soft airiness and raise the mattress slightly. The fantastic story telling of the blues and greens from the ocean, from flowery gardens or the mystical silver shimmer of the moon, completes very different room concepts.

La poésie en 1000 fils, voici Ohlinda la belle

L'utilisation romantique de somptueuses couleurs et sa polyvalence exceptionnelle caractérisent Ohlinda. Les éléments de dossiers peuvent être aménagés selon vos goûts et les modules permettent une composition à volonté. Des coussins qui semblent flotter surprendront avec d'innombrables éléments de raffinement, des drapés, des coutures et des nervures. Ce canapé riche en détail est complété par des pieds fins de forme linéaire qui confèrent à Ohlinda son caractère aérien, souligné avec douceur par le matelas boutonné.

L'histoire fantastique du bleu-vert de l'océan, du jardin d'Éden ou des scintillements argentés complète divers concepts d'aménagement.

Facts & Highlights

- Matratzen, die zu schweben scheinen
- Jedes Rückenkissen kann farblich individuell gestaltet werden
- Modulares System aus zwei Grundelementen bietet viele Kombinationsmöglichkeiten
- Außerordentlich anschmiegsame Polsterung
- Seat cushions that seem to float in place
