Maximal, majestätisch, multivers

Bei Cocoa Island treffen alte Polstertradition und neue Maßstäbe aufeinander. Ob auf sehr kleine Räume oder großzügige Umrisse zugeschnitten – die modulare Neuauflage des Chesterfields wirkt stets wie ein majestätisches Maxi-Möbel. Dafür sorgen mitunter die eigenwilligen Relationen, die abgewinkelte Rückenlehne und ein Rautensystem

mit aufwendiger Knöpfung. Der Bezug entfaltet seine Strahlkraft im wahrsten Wortsinn: Um die von Hand bezogenen Knöpfe bilden sich Falten, die der Moment anordnet wie Strahlen um Planeten. So entsteht ein zartes, ewiges Wechselspiel aus Licht und Schatten, das sich übrigens noch herrlicher anfühlt, als es aussieht.

Cocoa Island has old traditions meet new standards. Whether it is a very small room or a very large one – the new modular version of the Chesterfield sofa always looks majestic. The reasons for that are the unconventional dimensions as well as the angled backrest. The cover unfolds

its radiance in the truest sense of the word: Around the buttons, which were sewn on by hand, folds appear which remind of beams coming off a planet. That way, a soft interplay between light and shadow comes alive which, by the way, also feels heavenly.

Cocoa Island réunit la tradition de matelassage et de nouvelles mesures. Que ce soit pour des espaces restreints ou de grandes dimensions, la nouvelle structure modulaire du Chesterfield en fait toujours un grand meuble majestueux. Cet effet est assuré par les relations franches, le dossier coudé et un système de losanges avec boutons visibles. Le revêtement affiche son éclat au sens propre ! Les plis qui se créent autour des boutons posés à la main structurent le moment tel des rayons et des planètes. Il en résulte un doux jeu d'ombres et de lumières encore plus plaisant au toucher qu'à la vue.
