**Die Maße gelten für freistehende Einzelteile.**

**Alle Seiten des Sofas weisen eine echt bezogene Anstellseite auf und können auch einzeln im Raum platziert werden.**

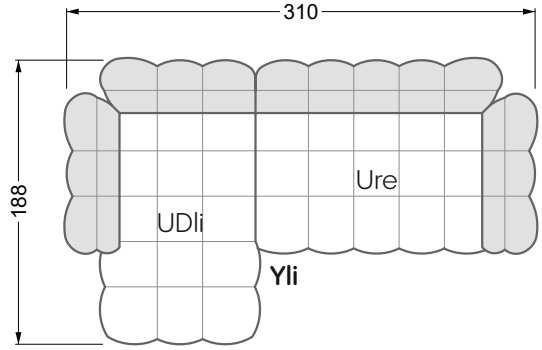

**Werden zwei Einzelteile miteinander verbunden, so müssen an den Anstellseiten 6 cm ( 3 cm pro Element) subtrahiert werden, da der Schaum komprimiert wird.**

The dimensions apply to free-standing parts.

All sides of the sofa have a genuine upholstered side and can also be placed individually in the room.

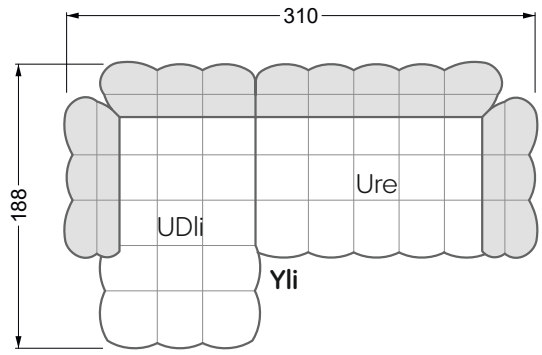

If two individual parts are joined together, 6 cm (3 cm per element) must be subtracted on the extension sides, as the foam is compressed during joining.

**The dimensions apply to free-standing parts.**

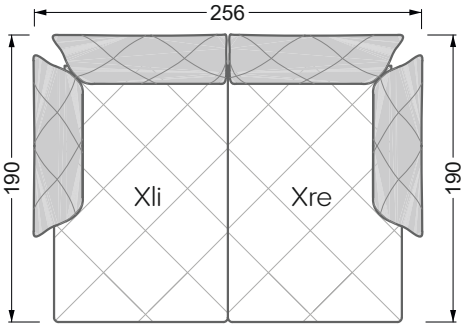

**The add-on parts have an upholstery without rounding on the sides.**

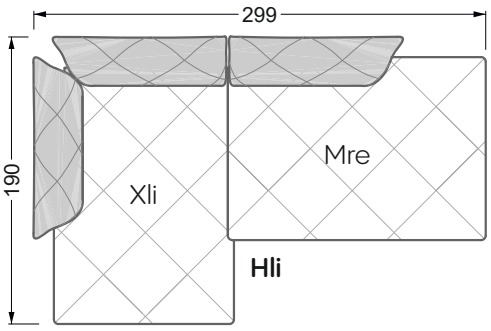

**The end and individual parts have a rounding on thee free sides (6CM).**

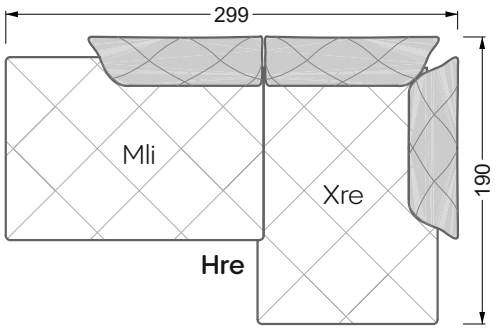

**This means that in case of a free combination of individual parts, 6cm must be deducted from the sides on the frame.**

**Les dimensions s'appliquent aux pièces solitaires.**

**Tous les côtés du canapé présentent un côté d'appui recouvert d'un véritable tissu et peuvent également être placés individuellement dans la pièce.**

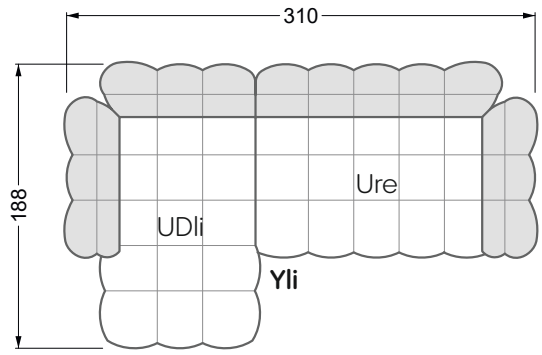

**Si deux éléments individuels sont assemblés, il faut soustraire 6 cm (3 cm par élément) aux côtés d'appui, car la mousse est comprimée lors de l'assemblage.**
