OHLINDA

philosophy

»Variety in lieu of simplicity.«

Why should we commit to only wearing one style, when all the others look so good on us as well? Boredom and dreariness are foreign words when it comes to the magnificent and colourful dresses our Ohlinda is wrapped in. Ohlinda means variety and is thus the proof that one can be unique as well as divers. From the oriental flair in shades of orange, yellow and green, or a refreshing but delicate look in silver or blue, to a tropical lagoon like turquoise: Ohlinda is an all-rounder and an eye-catcher in every one of her outfits. Get enchanted by our Ohlinda's vivid world.

OHLINDA

the beauty

Two souls lie under one dress: shades of orange, yellow and green do not only show off Ohlinda's splendid oriental side. Once the context in which one sees her is changed, Ohlinda can suddenly turn into a fine flowery meadow for your home. The contrast couldn't be bigger. But as her name suggests, Ohlinda means "beauty" (from the Portuguese "o linda"). And it is with that beauty and grace that Ohlinda fills any room she is placed in.

the tender

Ohlinda can also be natural. Combined with soft colors and natural materials, Ohlinda adapts to less opulent, honestly simple living spaces and thus sets a statement.
