CASSIA

CASSIA

CINNAMON BLOSSOM

is derived from the cinnamon cassie.

A plant species from the genus
Cinnamomum. It provides the so-called
Cassia-Cinnamon spice.

CASSIA

MOTIV

Cassia is the perfect add-on to our Dining Series. Either used as an armchair or a dining chair. An easy chair with curved back and seat on a swivel base.

CASSIA

Bretz

COMBINATIONS

Cassia is ideally suitable for monochrome color compositions in our new, tough, softly shimmering HAPPY VELVET velour fabrics in powerful colors.

CASSIA

DESIGN

The chair's shape derives from a blossom. Its flowery appearance and the monochrome, brilliant colors of the velours apply a pop-art touch to the chair.

This elaborate piece of furniture is defined by its curved back and seat. The elements nestle up to the body and cuddle you softly.

S. Hen

CASSIA

Bretz

DESIGN

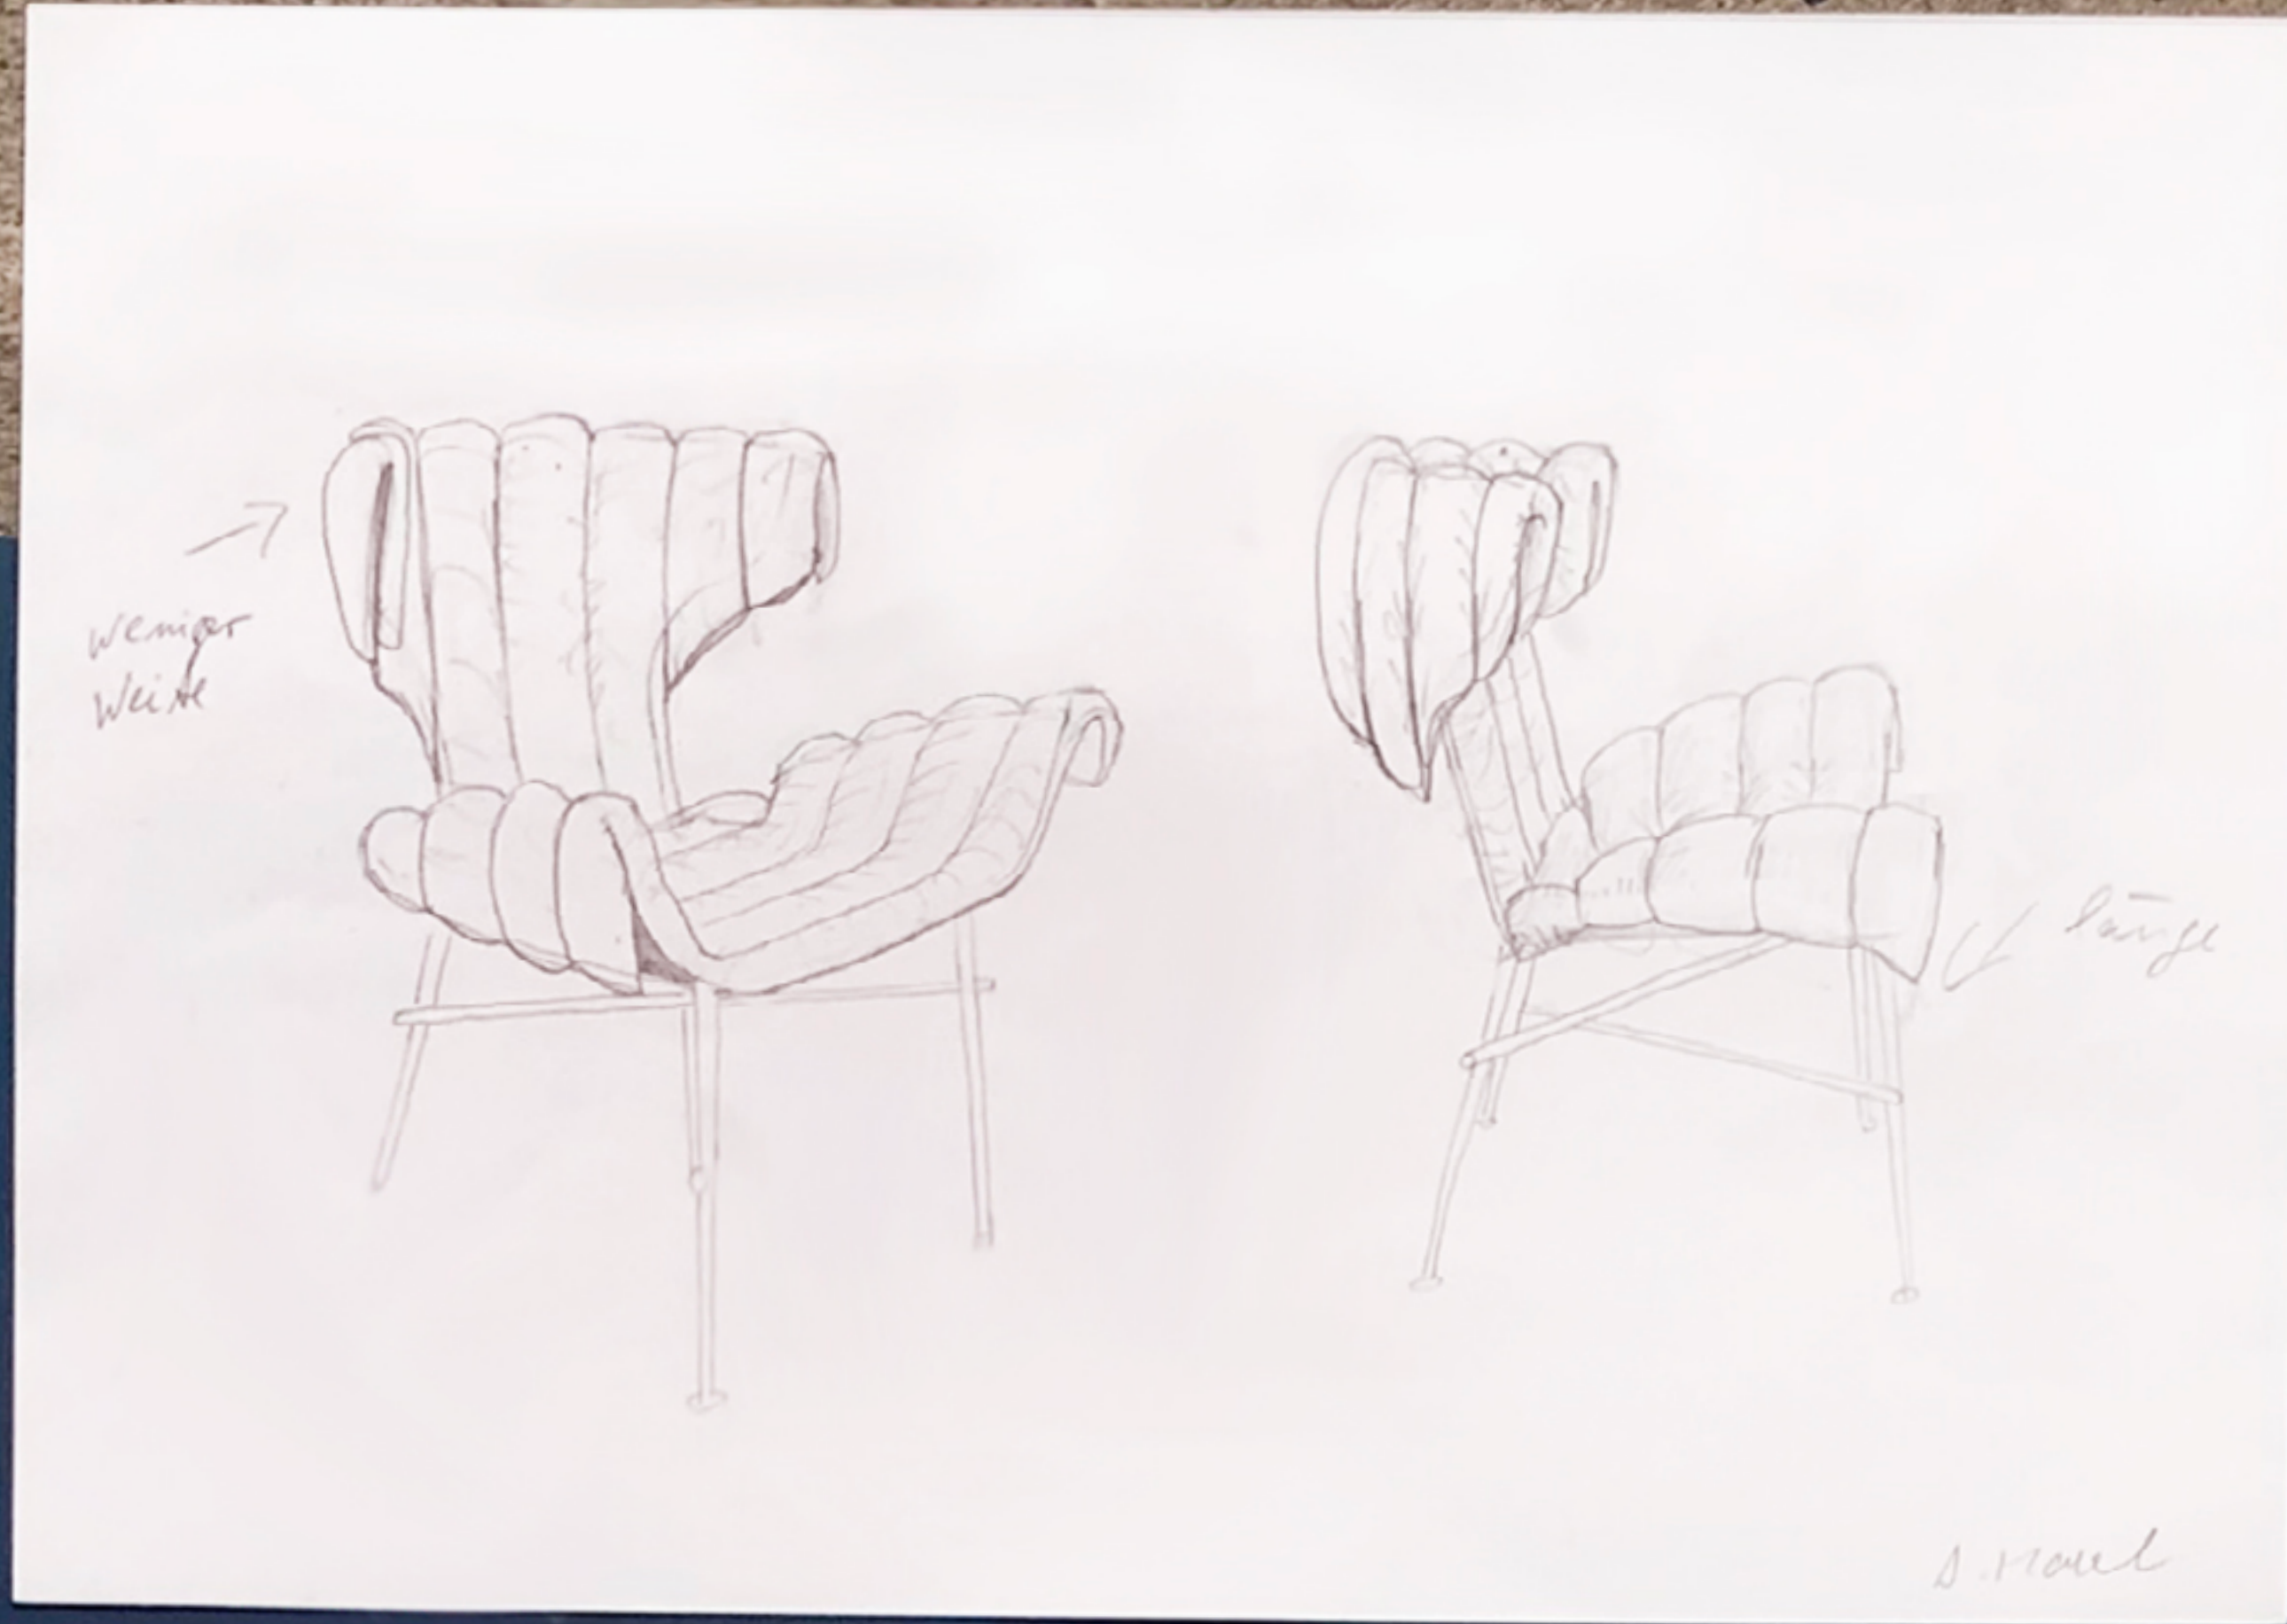

Linear patterns on backrest and seat emphasize the symmetrical shape of a flower.

The name Cassia (cinnamon flower) supports the intention of the chair's appearance. The linear, irregular patterns also call Cassia cinnamon sticks to mind, the spicy bark of the *Cinnamomum cassia* plant.

Its mat powder-coated swivel base makes Cassia very flexible; the perfect chair for communication at the table.

CRAFTSMANSHIP

When designing the prototype, we balanced the final proportions, curves, and angles. Building a wooden prototype scaled 1:1 is most important. Supported by 3D animation and using stencils, we took many single steps to create the basic shape and then design all little details.

At the same time, we also tailor the first fabrics; various paddings and foams get combined, we test crimpings with varying radiuses, and adjust seams and stitchings. All this gets done until we reach our final goal: the upholstery stays in place and the chair is tailored just perfectly.

CASSIA

FACTS & HIGHLIGHTS

- Flexibler Hybrid aus Stuhl und Sessel: Super bequem, um extra-lange gemütlich mit Freunden am Tisch zu sitzen
 - Lineare Einzüge an Rücken und Sitz betonen die Symmetrie einer Blütenstruktur
 - Legere Polsterung und Blütenform schmiegen sich um den Körper
 - Für die direkte Kommunikation am Tisch: Drehbares, mattschwarz pulverbeschichtetes Untergestell
-
- A versatile (arm)chair hybrid and a super-comfortable way to enjoy extra-long get-togethers around the table
 - Linear pleats on the back and seat mirror the natural symmetry of flowering plants
 - The body is enfolded by the light, blossom-like upholstery
 - Fitted on a swivelling, powder-coated base in matt black - for non-nonsense talk at the table
-
- Modèle chaise / fauteuil hybride flexible: super-confortable pour s'asseoir à table avec des amis en toute convivialité
 - Les renforcements linéaires du dossier et de l'assise soulignent la symétrie d'une structure florale.
 - Le rembourrage léger en forme de fleur forme un écrin autour du corps
 - Pour la communication directe à table - support pivotant, peinture poudrée noire matte!
